ARTHRITIS WALK® RAISES \$120,000 TO DATE IN PARKLAND
More Than 200 Walkers Help Raise Funds and Awareness for Arthritis Foundation

PARKLAND— Legacy Bank of Florida participated on Sunday April 13th, in The Arthritis Walk, an annual nationwide walk event for the Arthritis Foundation, raising thousands of dollars Sunday morning in PARKLAND at the Third Annual Walk, making the total raised in 3 years over \$120,000. More than 200 walkers turned out at Pine Trails Park to help raise funds and awareness to fight arthritis, one of the nation’s leading causes of disability.

Legacy Bank of Florida, a sponsor of the Arthritis Walk 2008 and its employees supported this worthwhile event impacting young and old alike. “We are happy to help so many in the county where we work and live. This is just another way our employees reach out and service, personally and professionally. Our team looks forward to this family oriented event. Giving back to our community is part of the level of service we strive to provide”, said Chris Lillis, Executive Vice President.

“Arthritis impacts so many lives and I am delighted to have helped to raise funds and awareness for the Arthritis Foundation,” said Marcy Kabolowsky, Office Executive and Volunteer of the 2008 Arthritis Walk. “I know that funding leading-edge research, health education and government advocacy efforts will make a difference in the lives of the 5 million people in Florida living with arthritis.”

Legacy Bank of Florida, founded in 2006, is a locally owned and managed community bank with offices in Boca Raton, West Palm Beach, Fort Lauderdale, Delray Beach and now Pompano. The Bank specializes in business and professional banking, including commercial credit and deposit products, and a full line of retail and corporate cash management products. Legacy Bank employees are all shareholders. For additional information, please visit www.legacybankfl.com.
